**National Conference on Theoretical Physics
(NCTP 2010 - fourth edition)**

June 23-25, 2010, Iași, România

First Announcement – January 2010

Conference sections

NCTP 2010 covers the main aspects of the research in theoretical physics.

You are invited to send one page (A4) abstract(s) (word or rtf format) for oral and/or poster presentations. A template for preparing abstracts can be found on the conference web site. The abstract(s) should be sent to the mail address of the conference: nctp2010@stoner.phys.uaic.ro.

Tentative conference fees

Conference fees*

€100 (400 RON): general conference fee

€50 (200 RON): student fee

The full fee (400 RON) includes abstract booklet/CD, lunches and dinner party.

➔ **Travel**

City of Iasi is easily accessible by plane, train and car. There are up to four daily flights from Bucharest to Iasi airport and external courses are running from/to Italy and Germany. A daily direct flight of Austrian Airlines from Vienna is also available. About five trains a day connect Bucharest to Iasi and the journey takes six hours. The road distance to Bucharest is about 370km. More information can be found on the conference web site.

★ **Accommodation:**

A list of main hotels in Iasi is provided on the conference web site.
Reservations should be made directly at the hotels.
